VIRGINIA HUNTING LICENSE # _____

Safety Guidelines

1. The guide withholds the right to end a hunt for failure to abide by these guidelines or any other acts perceived as unsafe. Your safety is of primary concern. There will be no refund of fees should such action be taken.
2. No alcohol or other controlled substances will be permitted before or during a hunt.
3. All hunters must warm up on skeet before each hunt.
4. Recommended gun is 20-gauge two shot. Advised shells are #6 shot for pheasant and #7½ or #8 shot for quail (other shotguns are allowed).
5. Safety glasses are advised for all hunters.
6. A blaze orange vest or hat is required.
7. Guns should not be loaded until the hunt begins.
8. Do not point a gun at another hunter at any time.
9. Do not point a gun at a dog at any time.
10. Do not shoot at a target lower than 3 o'clock vertical.

DISCLAIMER: All risks assumed by clients and visitors.

We enjoy taking pictures of the hunts. We would be glad to share the pictures of your hunt taken with you. We also reserve the right to use pictures taken for our web site and advertising.
